The Athenian Club.

The Athenians entertained at luncheon Thursday April 16th in honor of Mrs. Cora G. Lewis of Kinsley, President of the Seventh District Federation of Clubs.

The luncheon was given at the home of Miss Brinkman and was in five courses.

The decorations were in pink and white (the club colors) and the souvenirs were carnations.

The rooms were darkened, but the mellow light from the pink and white candelabra shed a rosy glow over all, and added much to the scene.

Mrs. Whiteman of LaCrosse and Mrs. Grant of Ellinwood were among the guests. After luncheon they repaired to the Commercial Club rooms where in company with a large audience an address was given by Mrs. Lewis. Mrs. Lewis is a pleasing speaker and needs no introduction to Great Bend ladies.

She is a candidate for State President of the Woman's Clubs and her friends which are legion are very desirous that this honor shall be accorded her.

To Our Friends.

We desire, not as a matter of form, but as the earnest expression of our hearts, to thank our many kind friends for their many acts of kindness during the long illness and final passing away of husband and father.

Cut Prices on Monuments

Monuments never before sold as cheap in Kansas as they are now at A. C. Baxter's, two blocks north of the M. E. Church. I am selling monuments to stand 5 1/2 feet high for \$30, out of the best marble. A monument that is a low one, as you see No. 5, is 2 feet wide and 5 feet high, all finished and set up for \$40. One like No. 3 for \$20. Remember I will set up a nice headstone for \$5. So if you have any children buried and do not feel able to pay these agents or a man who has a big rent to pay, their price, come and see me and I will set up a monument for \$10 up to as high as you may feel like paying, out of the best kind of marble and the best kind of granite. Remember I will give you any style of a monument. Any flowers carved on free of charge. Come and see me.

Yours truly,
